4 - Upgrade paths

Farm Starter -> (GACP passed) -> Producer GMP -> (scale up) -> Export Enterprise

Marketplace Exporter -> (needs EU-GMP) -> Producer GMP. Lab & CoA is a cross-role that strengthens trust across every package.

Paid GACP/AI audits are credited toward the cert setup. No lock-in: the Audit Passport and documents are portable - the data belongs to the producer.

5 - Pricing FAQ

Why are prices in THB?

Subscriptions are priced locally in THB. Marketplace commissions are calculated on the EUR deal and shown and paid out transparently in THB.

When does commission apply?

Only on an actual sale via the marketplace - no sale, no commission.

Are there volume discounts?

Yes: from 3 farms -15%, from 10 farms -25%. Annual payment saves 2 months (-17%).

Which languages are supported?

German, English and Thai.
